Dear Parents/Carers,

School Uniform

A number of parents have recently queried the wearing of school uniform, in particular the fact that a number of children are wearing sweaters/cardigans without the school logo and that some children are wearing the wrong colour or type of uniform including shoes.

At the recent parent forum the wearing of jumpers without the school logo was discussed and it seems that the main reason for this is the extra cost of a regulation school jumper compared to a cheaper one from the supermarket. Whilst the school understands the issues of cost, especially for parents with more than two children, we do feel that it important that the children look smart and have a Soudley School identity. This is especially important for school trips and outings. We are not asking parents to go out and immediately buy 'regulation' sweaters but ask that the next time your child needs a new sweater you invest in at least one with a logo which can be purchased from dee@deezynes.net . Alternatively you can ask Dee to embroider the school logo onto an existing sweater/cardigan.

The following list of regulation school uniform for Soudley School should help to clarify any confusion over what is and what is not acceptable. If your child is currently not wearing correct school uniform please try to rectify at the earliest opportunity.
